

A seaplane with blue and white stripes is shown in the process of landing on a body of water. The plane is tilted slightly, and a misty spray of water is visible around its pontoons. The background consists of a dense, green forest on a hillside.

# PANAMA SEAPLANE TOUR

AN ELEVAIR TOURS EXPERIENCE

## STUNNING VISTAS OF PANAMA'S ATTRACTIONS WITH THE THRILL OF A WATER LANDING

You'll enjoy stunning vistas of Panama's essential attractions on this scenic and unique seaplane tour. An experience that's heightened by the seaplane take-off and landing on the waters of Lago Alajuela.

You'll view the Bridge of the Americas and famous Panama Canal. We pass by the iconic Centenary Bridge and on our side is dense rainforest that reaches as far as the eye can see. We'll land and take off in the calm water of Lago Alajuela, an exhilarating and memorable experience.

As we circle over Panama Bay, the panorama of Panama City's skyline contrasts with the many ships anchored in the bay. The colorful Frank Gehry Biomuseo and new Convention Center are the new icons of the Amador Causeway. In the distance just a few miles away lays Isla Tabogo.

This scenic seaplane tour provides the finest view of the key attractions of Panama City together with an exhilarating seaplane water landing and takeoff. Truly memorable.
